The past fifty years of progress have contributed to our Pierian, and our Pierian has contributed to the history of RHS. Our history department at RHS is busy in its efforts to aid the students in appreciating our world and nation's history. The understanding of the behavior of people, as taught in psychology, will aid us in the fifty years to come.

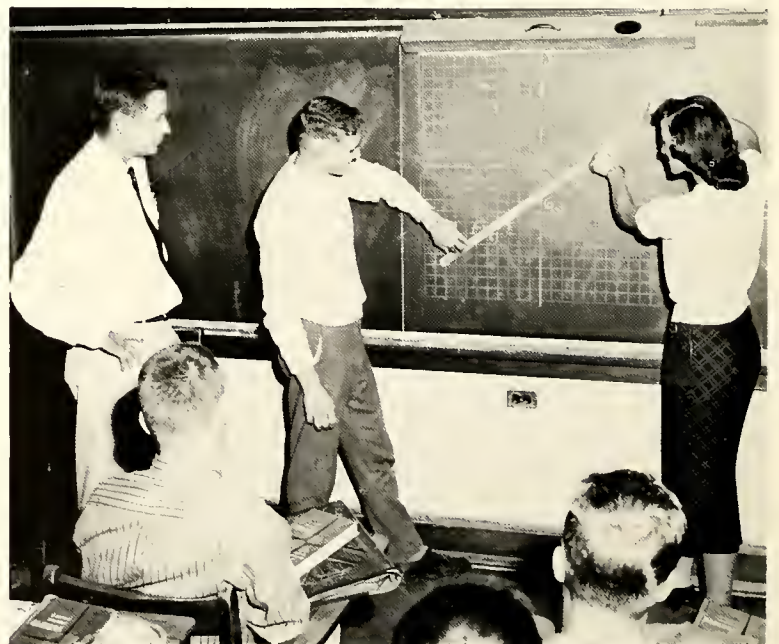

Our world has become smaller in the last fifty years. We are learning about the lives of our new neighbors in other countries as we study their languages. In addition, we are still endeavoring to learn to express ourselves clearly in English.

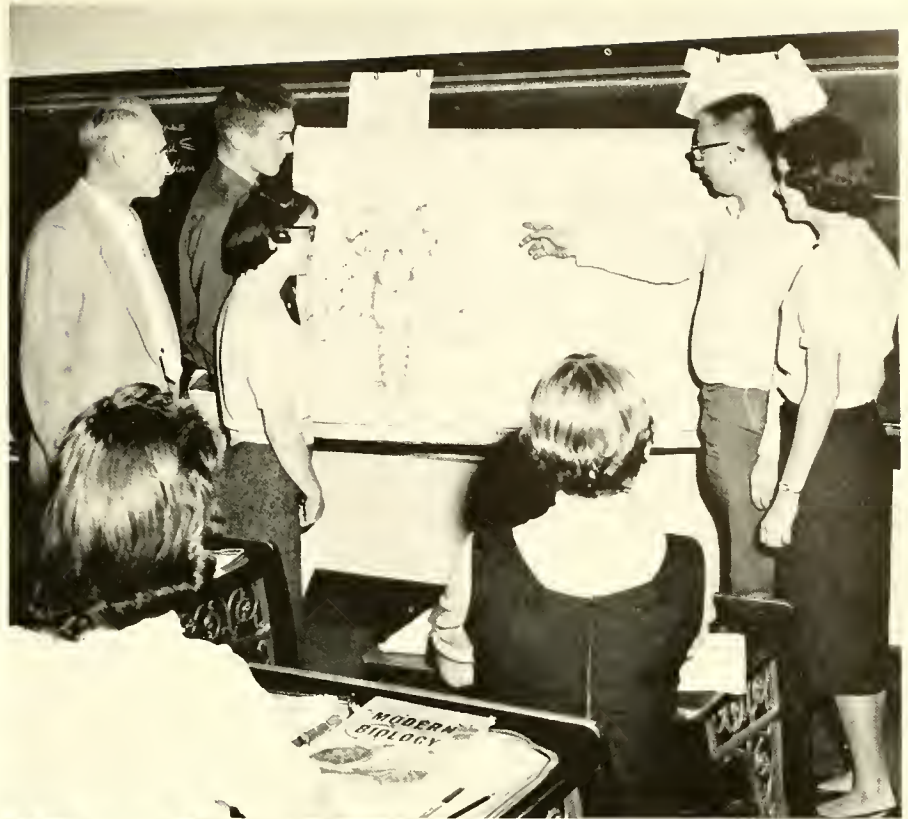

Mathematics is a busy department at RHS. Many boys and girls will become interested in this field, and, perhaps, make it a life's vocation. While solving the puzzle of algebra and the proofs of geometry, one can see his analytical powers develop.

As we enter the Space Age, we are becoming increasingly aware of the ever-opening fields of science. There are many "secrets" to be unfolded, and our science department gives each of us an opportunity to discover some of these secrets.

Our class rings will always stay with us, holding wonderful memories of our three eventful years at RHS.

RHS seniors worked hard for the time when they could, at last, show off their own yellow cords.

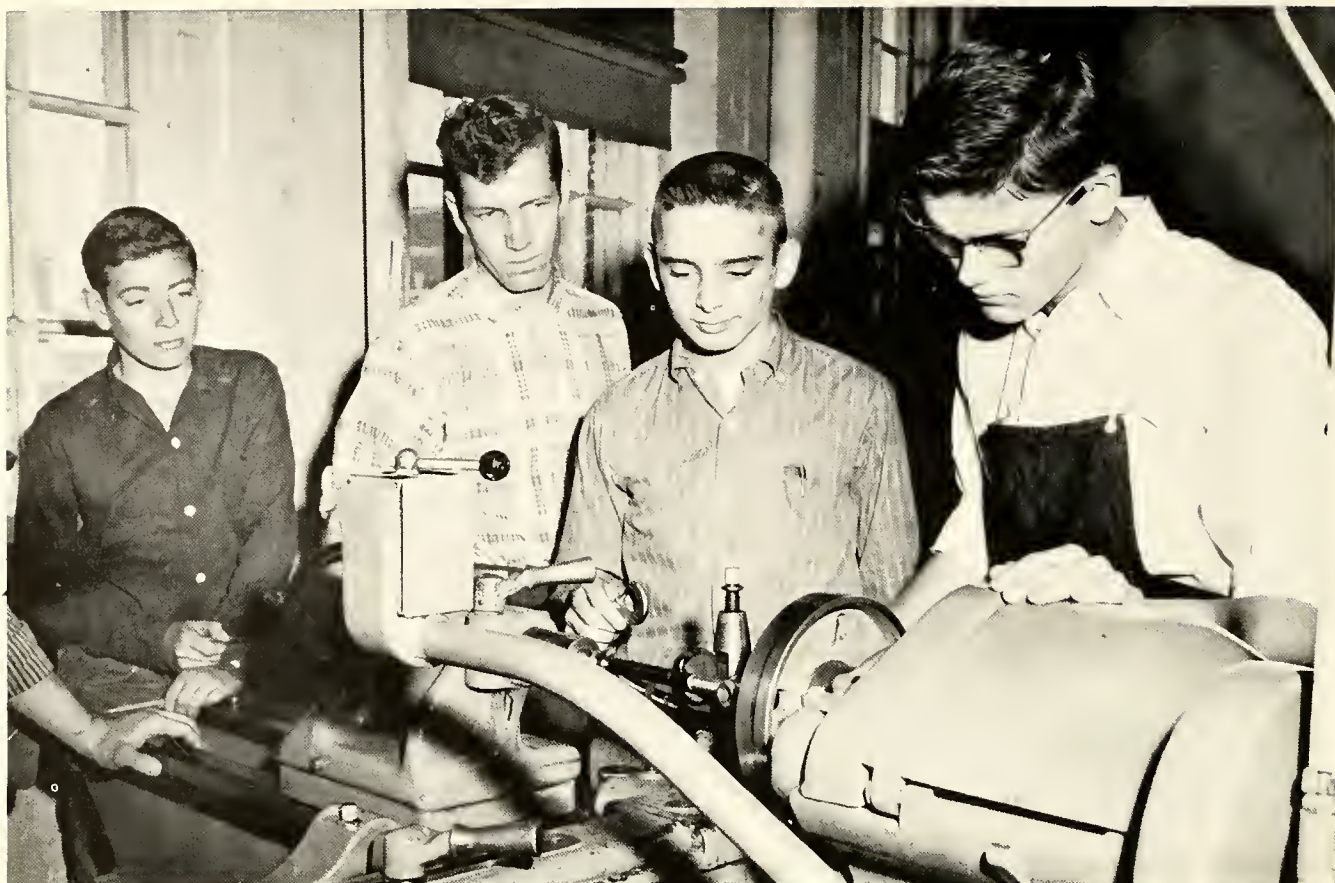

Our "rads" faithfully carry us to and from our mad whirl of classes, games, and parties.

Perry Como sweater, blazers, crew-necks, and gay plaids -- these are our styles of '59.

Many boys receive vocational training at RHS that will carry them directly into jobs following graduation. For students entering the popular field of engineering, mechanical drawing is invaluable.

To better prepare our future homemakers, the cooking classes provide practical experience in the preparation of meals for a family. The commercial courses offer helpful training to those wanting to enter the business world.

The assemblies, the games, our wonderful friends--we'll always remember the fun and laughter of RHS.

RHS students have the opportunity to develop their creative abilities in music and art classes. Their lives are enriched by this enthusiastic participation.

Our well equipped library provides us with a quiet place to study, as well as the books for pleasant reading and research materials. The clang of dishes and chatter of voices in our cafeteria make a happy interlude in our day.

MARDI GRAS - '58

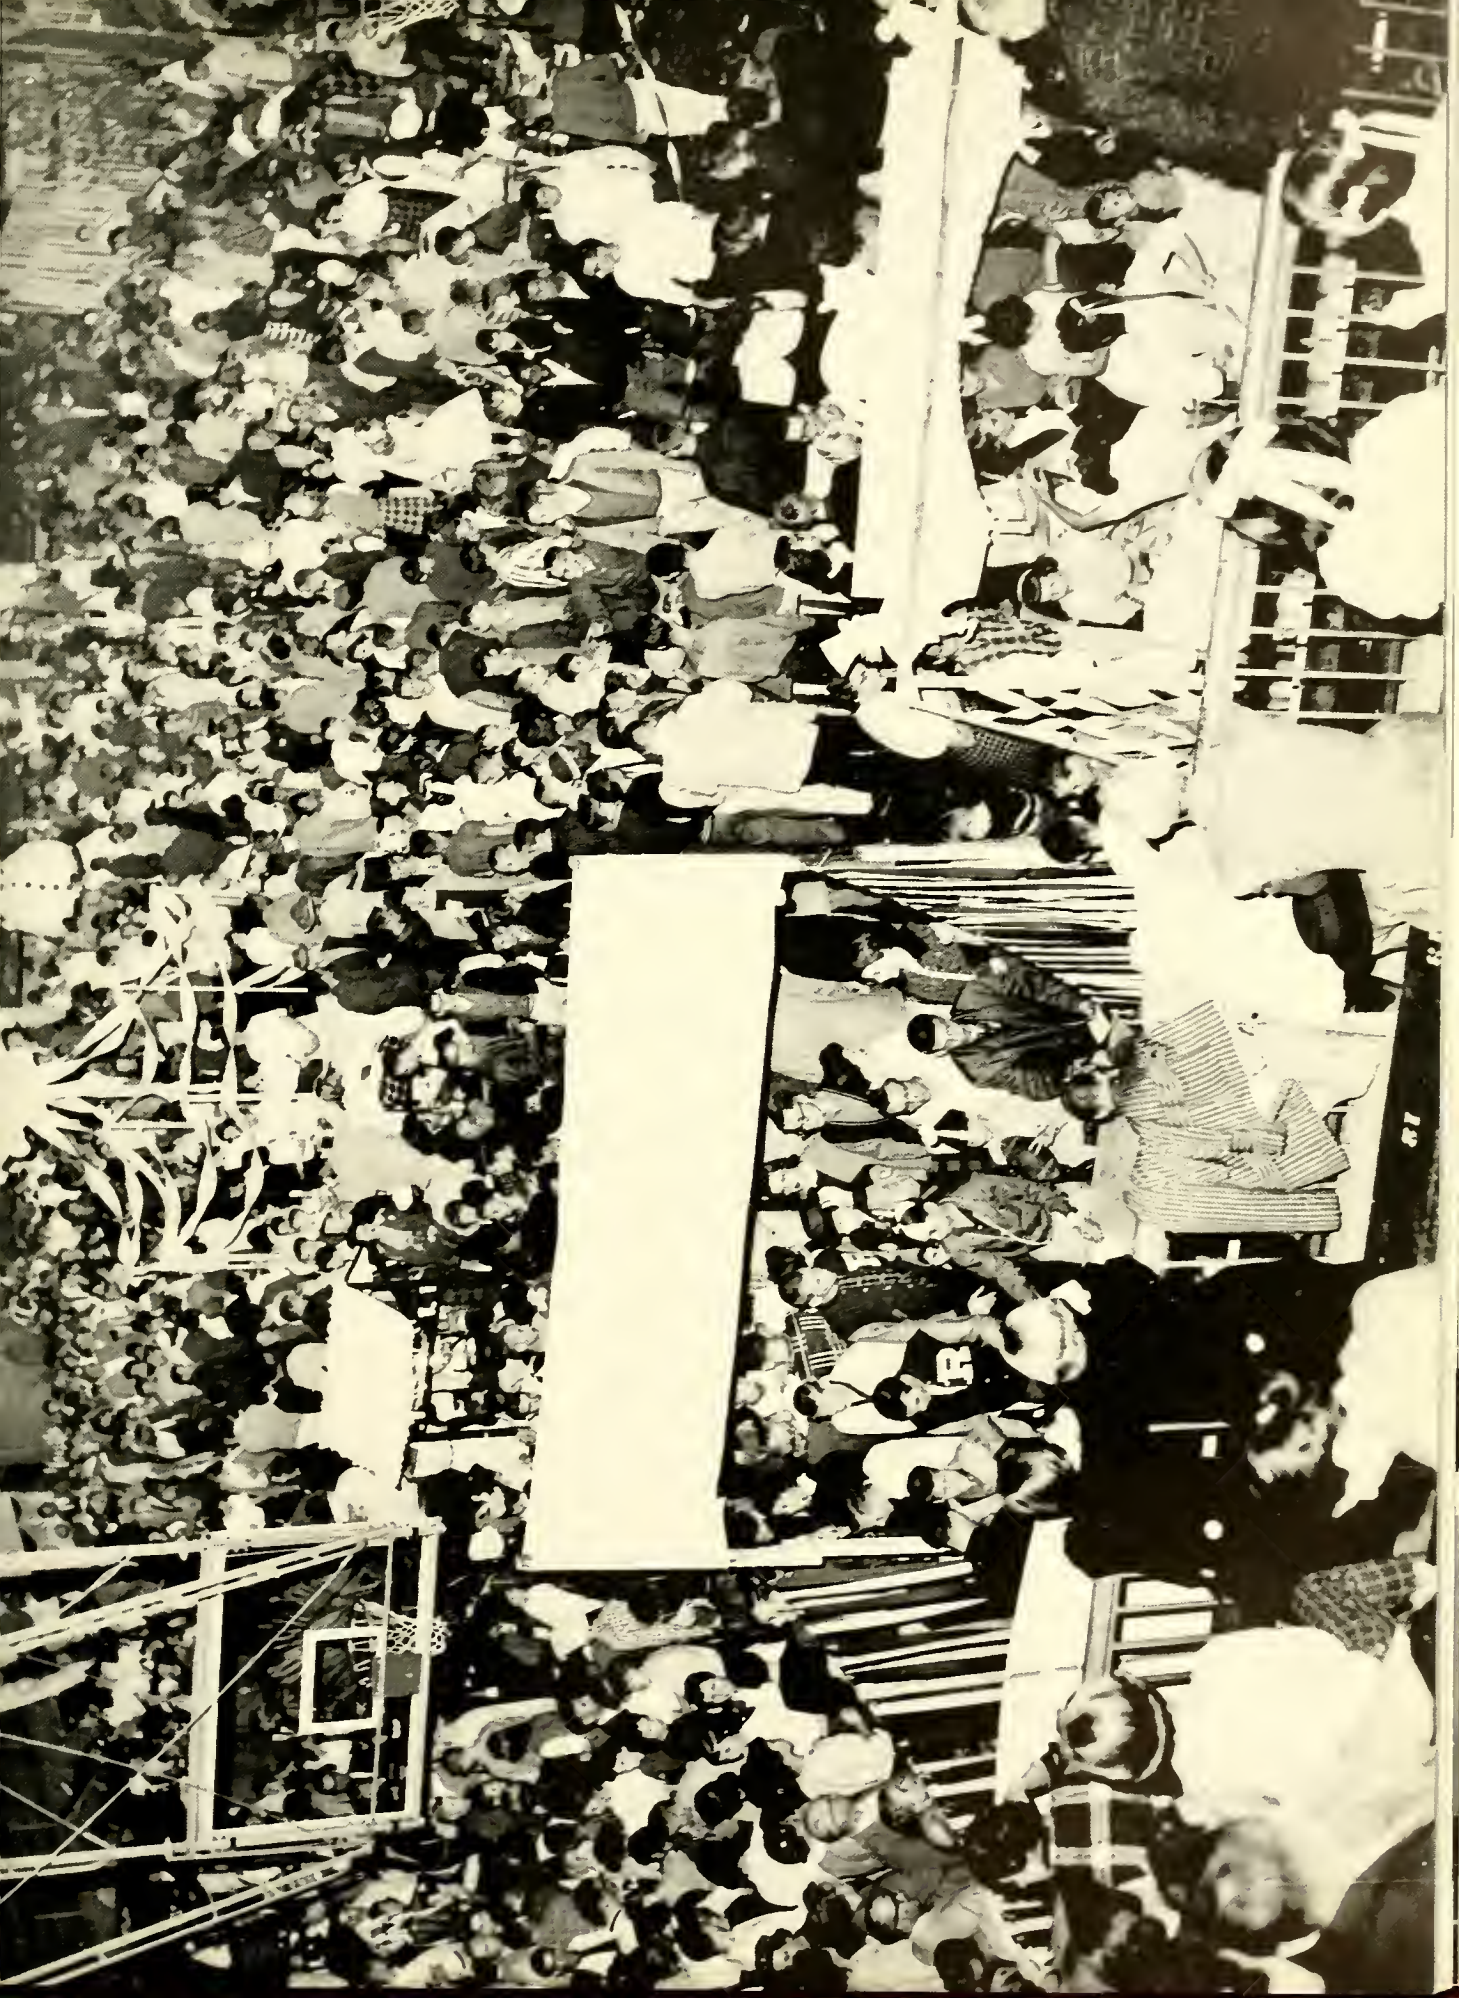

Spirits were gay, and excitement was high at the 1958 Mardi Gras! The theme this year was "Fantasyland." Miriam Kaeuper's group captured the honors by winning the Y-Teen Doll with "Mary Had a Little Lamb." Sandy Siewek's group's "Pluto Dogs" was voted the most original booth.

"Snow White and the Seven Dwarfs" by Frances Hasemeier's group won the prize for the best decorated booth.

We rushed around in slacks and bobby pins-- "Will we be ready on time?" "Who has the flowers?" "I can't find a stapler! But, oh! the feeling when we saw our finished booths --all ready for the big evening.

WITCH'S WALTZ ENJOYED BY ALL.....

One cold October night the Witches went waltzing in Civic Hall. This was the annual Black R dance and Sharan Faley, aided by Gretchen Graham, crowned the 1958 king, Tam Hill who ruled over our three hour Halloween Haunt.

JANUARY BROUGHT MAGIC MOMENTS

One cold January night many of us headed for the Magaw Room at the YWCA for the Y-Teen mid-winter dance. The decorations helped set the mood, and the band completed the setting. The Phi-Mu-Cru from Ball State played for the dance, and their Kenton style of music made a big hit with RHS students.

PIERIAN STAFF

Pictured above are, ROW ONE: Glee Ann Brown, George Newman, Phyllis Parshall, Bunni Brown, Phyllis Garrison, Suellen Eadler.

ROW TWO: Jo Roso, Judy Monlove, Larry Miller, Kate McKay, Anne Dougherty.

Hi! Here we are and here is our finished product. We have had many good times putting this book together and are all the richer for it. Mr. Garrett, our sponsor, has added "wit and wisdom" and we never spent a dull moment in 102 from Sept. til March the 4th when our final page was mailed to the publisher.

ROW ONE: Bunni Brown, Editor; Jo Roso, Co-editor; Mr. Garrett, Sponsor.

ROW TWO: Larry Miller, Co-sports Editor; Phyllis Parshall, Activities Editor, spring semester; Glee Ann Brown, Copy Editor; George Newman, Co-sports Editor.

RHS RELIES ON THE REGISTER

FALL STAFF

John Walters, Jean Ann Hackman, Monica Briggs, Jim Satterfield.

If you ever wandered to the north end of the corridor, first floor, during the fifth hour, you would find the industrious members of the Register Staff putting a paper together. These fellas and gals have a deadline to meet each week, and meet it they do. Every Friday, fifth hour, we get the "latest news" at RHS in the Register.

SPRING STAFF

Rose Blessing, Jean Ann Hackman, Judy Gethers, Jim Satterfield, Mr. Walter Garrett, Jim Draok, Bunny Ahaus, Dale Wehrley.

HI-Y SCORES SUCCESS WITH SNOWBALL

On the evening of November 21, 1958, Civic Hall was transformed by the magic wand of Mr. Snowball. With each wave, he cast a spell over the couples entering the door, and aided in the crowning of our lovely queen, Frances Hasemeier. At the inevitable stroke of midnight, Mr. Snowball became inanimate for another year, leaving happy memories in the hearts of those who fell under his spell at the 1958 Snowball.

Mr. Manlove---

For the past six years we have had a principal who has been "tops" to all who have known him. He has given so much of himself in helping us become better individuals. Now, the time has come to say good-bye to our "top man." Thank you, Mr. Manlove, for giving hundreds of us the smile, the word, and the handshake of assurance that we need as we take our diploma and step from RHS into the world.

Sincerity, warmth, never failing enthusiasm, and understanding are the outstanding qualities of our two deans, Mrs. Gladys Friberg, our gracious Dean of Girls, and Mr. Richard Coons, our debonair Dean of Boys.

Mr. Charles McConnell, our capable vice-principal, is known for his courtesy and diplomacy in all relations with the students and faculty.

Whether it be aspirin, transcripts, or schedule changes, the friendly members of our office staff, Mrs. Vioni, Mrs. Davenport, Miss Smith, and Mrs. Dening are always eager to help.

SOCIAL STUDIES FORUM

The forum meets every other week to learn about other countries. Their programs consist of speakers who have visited or lived abroad and discussions of world affairs. One of the highlights of the year is the all school assembly which the members conduct. The assembly was held in October with the theme, "Voting and Elections." To better their understanding of our foreign neighbors, delegates attend conferences on foreign relations held in the area during the spring. Also they sponsor a party for foreign students at Western College in Ohio.

TAC COUNCIL

The TAC Council is made up of the boys and girls from our school who plan our TAC Room activities. "TAC" stands for Teen Age Center, and it is located in the basement of the Y.W.C.A. Many RHS students enjoy dancing, playing ping pong, watching television, or just talking to friends. The TAC Room is open on Tuesday, Friday, and Saturday nights. Added attractions are disc jockeys from Dayton and Cincinnati who act as masters of ceremonies. All of these programs are planned under the leadership of Miss Virginia Johnson, Walter Stout, and Joe Bolyard, sponsors.
